

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK**

FREEPLAY MUSIC, LLC,

Plaintiff,

v.

SUN TV NETWORK LTD.,

Defendant.

Civil Action No. \_\_\_\_\_

**COMPLAINT AND  
JURY DEMAND**

Plaintiff Freeplay Music, LLC (“FPM”), through its undersigned attorneys, Baker & Hostetler LLP, complains of defendant Sun TV Network Ltd. (“Defendant”):

**Nature of the Action**

1. By this complaint, FPM—a music publisher that has invested and risked money, time, and energy to develop its catalogue of copyrights—seeks redress for Defendant’s copyright infringement. Defendant has been exploiting, without authorization, 194 of FPM’s copyrighted sound recordings and compositions by incorporating them into videos broadcast on its channels. Despite being on notice of its infringement, Defendant has refused to remedy its wrongdoing, leaving FPM no alternative but to bring this action.

**Parties**

2. FPM is a Delaware limited liability company, with a principle place of business in New York, New York.

3. Sun TV Network Ltd. is a company incorporated in India. Its principal address is Murasoli Maran Towers, 73, MRC Nagar Main Road, MRC Nagar, Chennai – 600 028, Tamil Nadu, India.

**Jurisdiction and Venue**

4. FPM's claims arise under the Copyright Act, 17 U.S.C. § 101 *et seq.* Subject matter jurisdiction over this action is conferred upon this Court by 28 U.S.C. §§ 1331 and 1338.

5. Venue in this District is proper under 28 U.S.C. § 1391.

6. The Court has personal jurisdiction over Defendant because, upon information and belief, it derives substantial revenue from interstate commerce, conducts systematic and continuous business over the Internet, and has performed acts causing harm to FPM, including infringing copyrights belonging to FPM, a New York copyright holder, which gives rise to this action.

7. Upon information and belief, the Defendant broadcasts its channels in the United States, including New York.

8. Defendant uploaded the videos containing FPM's copyrighted music to the Internet for public access.

9. Defendant posted 1203 videos to the Internet to advertise to viewers, including those in New York.

**FPM and Its Business**

10. In 2001, Scott Schreer, one of America's most prolific and performed TV composers and producers, launched FPM, a high quality online music library. Schreer, whose credits include, among many others, the *NFL on Fox* theme, is also a contributing composer to a portion of FPM's catalogue.

11. FPM makes its catalogue available on its website. To download music, a user must obtain a license that corresponds to the user's use (i.e., personal, commercial, etc.). The cost of such license varies depending on use.

12. With over 200,000,000 impressions to its website as of 2013, FPM is one of the most widely trafficked production music libraries in the industry. Since August 2013, FPM has issued over 3 million licenses to the copyrighted music in its library.

13. When a user logs on to FPM's website, <http://www.freeplaymusic.com/>, the user is presented with a variety of choices and thousands of musical works (i.e., sound recordings and the underlying musical compositions), all of which are available for certain types of exploitation.

14. All use of FPM's music requires a license.

15. Until 2013, any exploitation of FPM's music "posted on a website" required a paid license. After July 2013, a user could obtain a free license to use certain music in FPM's catalogue on YouTube, provided it was for "personal use only."

16. At all times relevant, any "business use" of FPM's music has required a paid license. The uses complained of herein are business uses.

### **Defendant**

17. Upon information and belief, Defendant is India's largest media conglomerate with 33 TV channels.

18. Upon information and belief, Defendant's channels can be viewed in 27 countries, including the United States and specifically New York, Canada, Europe, Singapore, Malaysia, Sri Lanka, South Africa, Australia and New Zealand.

19. Upon information and belief, the genre of Defendant's channels fall within several categories, including: serials, music, news, comedy, movies, kids, films, lifestyle and spiritual.

20. Upon information and belief, Defendant promotes itself and markets its products and services to its customers through videos. The videos are available online, including, but not

limited to, the Internet site hosted by YouTube. Upon information and belief, the videos identified herein are used to promote Defendant and Defendant's channels.

21. Defendant broadcasts its programming through "DISH Network LLC" a company providing satellite TV to subscribers throughout the world. Upon information and belief, DISH Network LLC specifically targets New York consumers with its programming.

22. Defendant broadcasts its programming through "YuppTV" a subscription based live TV and Video On Demand provider available to consumers in the United States, including New York. Upon information and belief, YuppTV has over 50,000 subscribers within the United States.

23. Upon information and belief, the videos identified herein are used to promote Defendant, Defendant's programming and Defendant's channels, including those broadcast on DISH Network, YuppTV, and otherwise throughout the United States.
